

WELCOME to the Parents' Association's first Newsletter

The Parents' Association at QEGS is instrumental in organising fundraising and social events, along with supporting the school with various activities throughout the year.

There is unfortunately an ever-increasing lack of funding for schools to provide the extra **WOW** equipment and resources that make a difference to our children's learning.

Our aim is to continue supporting the school and enriching our children's school life here at QEGS by giving our time.

Please join us.

We're always looking for new PA members - parents or carers who can give just a little time periodically throughout the school year to HELP. We will email monthly NEWS to you of what's happening in and around school with regards to events and fundraising.

The Parent's Association regularly provides funds for teacher requested additions to their department.

This month the PA have funded...

The purchase of two new cameras for the Art Department, which will support students studying for their Photography GCSE and A Level.

Payment for the Geography Department's annual subscription to Digimaps, which gives the entire school access to Ordnance Survey's online mapping for project work, route planning for Duke of Edinburgh expeditions etc.

This year PA funding has also provided:

Up and Coming Events – July

We desperately need volunteers to help host these events. Are you able to help?

July 8th Meeting for parents of new Year 7 children 7pm – to serve tea/coffee and cakes

July 15th Sports Day 1.15pm – to serve refreshments, including ice-cream, soft drinks and cakes
(Parents are welcome to attend this event)

We also need donations of cakes for both of these events - lovingly home baked, or store bought are all welcome and appreciated.

Please let us know if you can help either on the day, or by dropping your cakes off at Reception on the morning of the 8th and/or 15th.

Many thanks!
